- long lasting high quality
- modern technology guarantees exact sections and accurate dimensions
- pure raw materials are completely safe
- easy to install even around tight radius bends (Minimm internal radius is 1,5 times the width of core, for oval sections)

The oval sections

Polyrail 308

30 x 8

Polyrail 408

40 x 8

Polyrail 508

50 x 8

The round sections

25 x 15

Polyrail R40

40 x 8

R 55

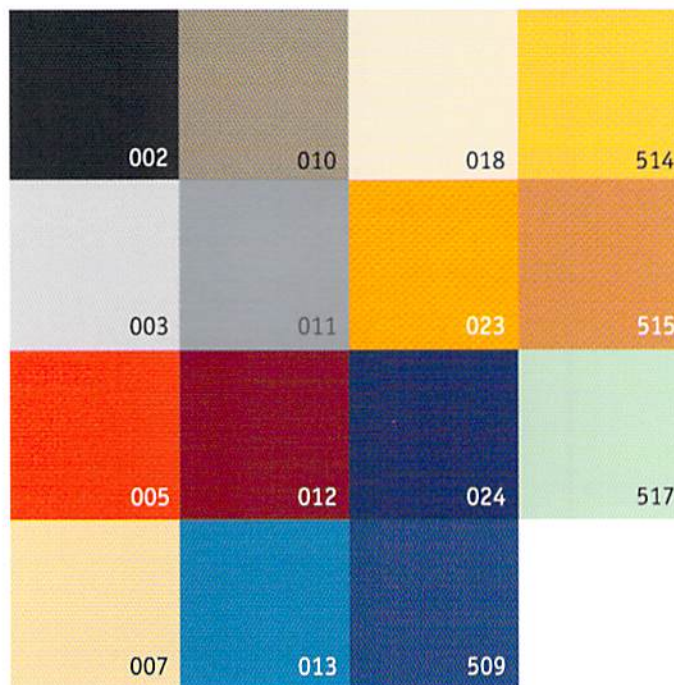

Standard colours

available ex stock in London

Special colours to special order

4 weeks delivery - see below
